

## Help Us Rescue A Child!

**Our precious children are being kidnapped and sold into sex slavery!**

**This horrific crime is happening right here in America, and some of these children are as young as 3 years old!**

Hopes and Dreams International recently helped rescue 17 children ages 6 to 14 years old. Our team receives an average of 200 different e-mails every month from frantic parents and officials asking for help to find their children. We have so many more children waiting and ready to be rescued but we need your financial help!

**Please have a heart for these children by sending \$1.00 or more to our “Have A Heart \$1.00 Campaign”, so we may continue rescuing and healing more children. That’s less then a cup of coffee!**

**You can help by passing this along to all your social networks: e-mail, twitter, face book.**

If we all do our small part ... We can make a HUGE difference...  
& Save the life of a child... What if it was a child you knew?...

**Thank You & God Bless!**
